

12th Annual SAVE Summit

April 5th, 2008

Turn **OFF** the Violence, tune in to

NC State University ~ Raleigh, NC
9:00 am - 3:00 pm

Each year the National Association of Students Against Violence Everywhere hosts a National Youth Summit for students, educators, law enforcement officers, and community members to showcase successful practices in preventing violence and train participants in effective ways to make their schools and communities safer. This event is a time for youth voices to be heard in workshops, peer-to-peer presentations, and activities that encourage, educate, engage, and empower youth with violence prevention strategies.

There will be motivating workshops, outstanding speakers, a national service project effort and special presentations. This year's theme, "Turn off the Violence, Tune in to SAVE" was chosen by the National SAVE Youth Advisory Board to reflect the promise of SAVE and its stand against violence of all kinds by students everywhere for years to come!

SAVE SUMMIT 2008 - GET INVOLVED

National SAVE Service Project: *Tune Into Service!*

This year's national service project entitled, Tune into Service, involves chapters collecting new or gently used walkmans, CD players, mp3 players, and nonviolent CDs. Chapters are encouraged to provide these collected items to local orphanages, homeless shelters, crisis centers, to distribute to students in need. Chapters who attend the summit are asked to bring some of these items to the Summit for a national need.

Picture This! Call for Photos

National SAVE is once again creating a big screen slide show to acknowledge the achievements of SAVE chapters. In order to make the show as inclusive as possible, we need photos by March 15, 2008 showing active work by your chapter (i.e. service projects, meetings, skits, etc.). Please email your pictures to cwray@nationalsave.org or mail them to the National SAVE office. Don't forget to include the following with each photo:

1. School/ Chapter name
2. Advisor name
3. Date and Name of Event pictured (and possibly names of students in the photo)

Photos will be kept for the National SAVE photo albums and exhibits.

Create A SAVE Chapter CD Cover to Display at the Summit!

All chapters are asked to create a visual of their SAVE Chapter to display at the National SAVE Summit! This year's visual should be in the design of a CD Cover. Be creative! Be sure to send in your CD Cover before March 15, 2008 and include your chapters name, city and state!

Shout Out for SAVE!

The SAVE Summit is always full of great violence prevention chants and raps. SAVE Chapters are encouraged to create a shout out or rap for this year's SAVE summit. Winning entries will be chosen to "shout out" their chants/raps at the Summit. Submit your chapters shout out/rap to the National SAVE office no later than March 15, 2008.

SAVE's Top 10 Count Down!

What are your Chapters favorite top five songs that promote peace and nonviolence? Please send your chapter's list via email to cwray@nationalsave.org before March 15th! All votes will be tallied and SAVE's Top Ten Countdown will be played at the National SAVE Summit!

Exhibit / Advertise at the Summit

Pathway to Prevention is the official exhibit area of the 12th Annual SAVE Summit. Youth and adult practitioners will visit booths to learn about the latest programs and services. But even better, they will return home to share this information with other youth and community volunteers, school administrators, civic groups, and policy makers. Share your resources with Summit participants from across the country as they develop skills and learn new strategies while building and strengthening partnerships in preventing school and youth violence. Help us as we Educate, Empower, Encourage, and Engage students and youth leaders in successful violence prevention strategies!

SAVE chapters exhibit free! Contact National SAVE for additional information.

National SAVE Summit: Turn Off the Violence... Tune In To SAVE! **April 5, 2008 - NCSU McKimmon Center, Raleigh, NC**

The National SAVE Summit is an opportunity to share information with conference participants, mainly students from elementary levels through college. Youth from all over the nation will be present for this one-day event, sharing information on violence prevention through the efforts of the SAVE program. This unique learning experience will build capacity among youth and adults to transform their schools and communities into places where youth thrive in a safe and secure environment. Youth who thrive are better equipped to succeed in school, to form healthy relationships, and to avoid substance abuse, school disruption, youth violence and other risky behaviors. We would like to invite your chapter or organization to present a workshop at this event.

Call for Presenters

The National SAVE Summit workshops will provide participants with skills to spread the SAVE message successfully in their schools and communities. The workshop sessions should center around preventing youth violence as well as share information on promising strategies for chapters as well as engage the audience interactively. We strongly encourage workshop sessions to be youth-led. SAVE chapters will be given first priority for the available Break-out sessions. Chapters chosen to present will have their **registration fee waived for up to three participants**. Sessions will last 40 minutes.

All proposals must be received by January 31, 2008. Presenters will be notified in February of their acceptance to present.
