LEAN ON ME

*Sometimes in our lives we all have pain
We all have sorrow
But if we are wise
We know that there's always tomorrow*

(Chorus)

*Lean on me, when you're not strong
And I'll be your friend
I'll help you carry on
For it won't be long
'Til I'm gonna need
Somebody to lean on*

*Please swallow your pride
If I have things you need to borrow
For no one can fill those of your needs
That you don't let show*

(Chorus)

*If there is a load you have to bear
That you can't carry
I'm right up the road
I'll share your load
If you just call me*

*So just call on me brother, when you need a
hand
We all need somebody to lean on
I just might have a problem that you'd
understand
We all need somebody to lean on*

(Chorus)

Lean on me...
